

Honey Creek at Bailey Ranch
Homeowner's Association Board Meeting
Thursday, May 24th, 2007
7:00PM

Attendees: Daniel, Steve, Mike & Megan

Agenda Items: Ponds Committee Report
Welcome Committee Report

Discussion: Steve reported that he had spoken to the OSU Extension Office to get their advice about the best way to kill the algae in both ponds.

Steve also mentioned the need for 10 strong volunteers to help him drag the existing vegetation out of the middle pond so that the aerator can be installed. Megan stated that she would help Steve round up volunteers so that we can complete our last major community improvement project of FY 2007.

Megan briefly ran over the material she intended to present at the upcoming all-member meeting scheduled for Tuesday, June 5th.

Megan also mentioned that this year the City of Owasso's Neighborhood Block Party event was scheduled for Saturday, September 8th and that planning for this year's event would begin shortly. ☺

Action Items: Megan is looking for community-minded volunteers. ☺
