Happy 2006 Honey Creekers!

Thanks again for making 2005 such a successful year for our community! With your valuable support (financial, emotional and sometimes even physical) we will continue to enhance our neighborhood's appeal and value. Over the last year, we are proud to have created new volunteer opportunities, hosted neighborhood social events, expanded the content of our community web site, and developed our community into one of Owasso's most attractive places to live. ☺

In 2005, we received many suggestions from our neighbors about how our POA can improve the overall appearance of our community. (Some examples of these suggestions include 1) purchasing aerators, landscaping and benches to make our pond areas more appealing, 2) improving the overall appearance of our Bailey Elementary entrance by erecting a Honey Creek sign and improving the existing landscaping and lighting, and 3) adding landscaping to our island areas throughout our neighborhood to give every street in our community even more "curb appeal.")

We love the community spirit that drives these types of requests and we are eager to bring these items and others to a vote of the entire community in 2006. First, however, we are asking for your help. The 2006 annual dues invoices will be arriving soon and your early payment of your dues will allow our community to cover our core expenses like utilities, mowing, landscaping and maintenance, as well as begin preparing our budget for the projects that we want to accomplish in the coming year. Please send your check today, so that we can work together to continue to maintain and enhance the best little community in Owasso – Honey Creek! ☺

Wishing you and yours all the best in 2006!

The Honey Creek Board of Directors
